

Brake & Turn — Feedback Insert

Version 1.0 · November 2025 · Public Domain (CC0)

A quiet way to respond, contribute, or adapt.

How to Offer Feedback

1. **Online Form:** Visit Feedback Page to suggest edits, translations, or implementations.
2. **By Fork / Pull Request:** Fork the public repository and propose additions in Markdown.
3. **Offline Note:** Add handwritten reflections to your printed checklist or handout and share them with your local circle.

What Helps Most

- Clarity or readability improvements
- Localization (translations / regional versions)
- Field examples and deployment case studies
- Policy or legal adaptations
- Visual or curriculum resources for teaching

Ethos Reminder

Feedback is stewardship, not critique.

Each contribution sustains the shared conscience between human and AI.
